

Certificate of Approval

This is to certify that the Management System of:

SUEZ Water Technologies and Solutions

Interleuvenlaan 25, 3001 Haasrode, Belgium

has been approved by Lloyd's Register to the following standards:

ISO 9001:2015

Approval number(s): ISO 9001 – 0019565

This certificate is valid only in association with the certificate schedule bearing the same number on which the locations applicable to this approval are listed.

The scope of this approval is applicable to:

Research & development, sales, onsite product and application support, commercial operations, customer care, design, engineering, project management, procurement, manufacturing, assembly, warehousing, installation, commissioning, laboratory analysis, remote technical support, field service and support, operation of water treatment plants, remote monitoring, diagnostics and analytics, mobile water treatment equipment, analytical laboratory process control instruments, distribution of analytical reagents and reference standards, as applicable to the following industries: Chemical Processing, Facilities, Refining, Food & Beverage, Microelectronics, Metals & Mining, Municipal, Pharma & Life Sciences, Power, Pulp & Paper, Upstream Oil & Gas and others in need of water and process treatment solutions.

P.G. Cornelissen

Area Manager North Europe

Issued by: Lloyd's Register EMEA

for and on behalf of: Lloyd's Register Quality Assurance Limited
